Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

ELIGIBILITY:

1. Graduate students from APA-accredited doctoral programs in professional psychology are eligible to apply. We do not require a Master's degree to have been conferred.
2. Canvas Health does not require United States citizenship.

REQUIRED PRIOR DOCTORAL PROGRAM PREPARATION AND EXPERIENCES:

1. Comprehensive examinations must have been passed.
2. Dissertation application must be accepted before the beginning of internship. The dissertation need not be defended by the beginning of internship, but the program cannot support the intern's dissertation time unless it concerns Canvas Health programming.
3. Minimum of three (3) years of graduate training must be completed, with 300 hours of practicum training in intervention, and 200 hours of practicum training in assessment.
4. Graduate coursework in psychopathology and familiarity with diagnostic practice.
5. Graduate coursework and practicum training in psychotherapy and psychological interventions with adults and/or children.
6. Graduate coursework and practicum training in cognitive and personality assessment of adults or children, and practicum or other experience in preparing professional psychological evaluations. Applicants should have competence in using cognitive, personality, and other diagnostic tests appropriate to their age specialty. Applicants should have written a minimum of 8 integrated psychological reports.

Verification from the Director of Training of the applicant's graduate program that the applicant will have completed all graduate coursework and any comprehensive examinations required by his/her program prior to internship start date.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes		Amount: 300
Total Direct Contact Assessment Hours	Yes		Amount: 200

Describe any other required minimum criteria used to screen applicants:

APPIC application is required. We require a redacted psychological evaluation report to be submitted with application.
